Membership Listing

When my great-grandfather, John C. Eaton passed away in 1916, he was the Commander of this post. In his possession was the original book containing the handwritten by-laws and the membership listing up through the last entry of March 19, 1902.

The information in the first three columns below was copied from the book. Because the members signed their names themselves, some names or letters were indecipherable.

The 1840 census records John Ramage as living in Grove Twp., Clinton Co., PA. Recorded with him are 1 male age 20 to 30; 2 males 30 to 40 years old; 1 male 50 to 60 years old; 1 male 60 to 70 years old; one male 80 to 90 years old; 1 female 5 to 10 year old; 1 female 20 to 30 years old; 1 female 40 to 50 years old; and 1 female 70 to 80 years old.

John, is the male listed in the 60 to 70 category as he shows his age at 64 years and a pensioner of the Revolutionary War.

John's pension record, #S 23860, contains the following information.

Request for pension filed September 1832.

He joined a volunteer company under Capt. Richard McCowen in August in the year 1776. This company was raised in Lancaster Co., PA. John was residing in Hanover Twp.. He marched to Philadelphia, then on board a shallop to Trenton in the state of New Jersey,thence to Amboy. Then

sixteen men out of each company in the regiment, volunteered in the Flying Camp. Some of them were, he believed, drafted, but he volunteered. For a time he was under the command of Capt. Robinson, but he believed that an officer by the name of Armstrong had command of the Flying Camp at the time he entered it. He then went to the City of New York under said Armstrong of the Flying Camp. Thence he marched to Fort Washington in the State of New York. He states that he was a member of a scouting party that left the Fort on the 15th of Nov. 1776. That the day after he left, the Fort was taken by the British and the next day after that, Fort Lee was taken by the British. They marched into the state of New Jersey and in a few days afterwards toward Princeton. He remembers being in several skirmishes along the way. He remained in that area until his enlistment was up in March 1777 and he then returned to Lancaster Co., PA. In August 1777 he again volunteered for service in a company belonging to Col. John Rodger. The regiment marched to Lancaster City and then took the Oath of Allegiance before William Henry Esquire, from the City of Lancaster. Continuing the march to Old Chester (in Chester Co., PA), thence to the head of Elk River where they met the British. After a skirmish there, marched to Brandywine in the regiment of Commander General Potter and Col. Watson. They arrived at Brandywine on the 11th September 1777. Within days they were ordered back to Old Chester and then to Philadelphia. He continued in service until the middle of December 1777. He volunteered last in the fall of 1778 in Capt. Samuel Ensworth's Company. This march took him to New Town in Bucks County. He was discharged.

John was born 8 June 1750 in Hanover of Lancaster Co., PA. He lived in Lancaster, Northumberland and Lycoming Co. since the Revolutionary War.

John Ramage was granted pension in the amount of \$36.00.
