

Mt Bethel Church Cemetery, Rt 64 Clinton County

Recorded Sept, 1995 by David and Emma Wallace

Recorded in sections, 1st being the 1st row next to the road that loops around the church, starting on the left-hand side of the church. 2nd section is the 2nd row in the same manner and any in the 3rd row. 3rd section starts on the right side of the church and follows back all of the area between the loop road. I hope this has been of some help to all of you interested in genealogy. This is the first cemetery recording for my wife and I we found it so interesting and rewarding we will continue as time allows..
